

A group of students sitting on blue armchairs in a modern lounge area, some using laptops and others reading. Large windows in the background show a campus scene with trees and buildings.

University Profile

Marywood University, located in Northeastern Pennsylvania, at the foothills of the Pocono Mountains, is a comprehensive, independent, private, Catholic institution. Marywood offers many of the advantages of a large university, including more than 80 undergraduate, graduate, and doctoral degrees taught by outstanding faculty, along with 22 Division-III varsity athletics teams. Marywood's small, safe, residential location offers a community-based environment, which provides students with a friendly atmosphere and a high level of personal attention. Marywood University is in close proximity to state parks, outdoor activities, and major metropolitan areas, further enhancing the overall student experience. At Marywood, students discover their passion and realize their purpose.
