

Department of Visual Arts - Foundations Year Activity Sheet

Student Name: _____

This form should be filled out in advance of the Foundation Portfolio Review and should be presented with other required materials. The form should indicate a student's involvement in learning experiences outside usual classroom or studio assignments, projects, and requirements.

The following should include activities or experiences indicating self directed involvement in your studies: Art gallery opening(s), bus trips, workshop(s), demonstration(s), using Marywood's Learning Commons resources or community libraries, on-line resources, Scranton First Friday events, and any other activity you think is appropriate. Be specific when you list activities and use the back of this form if additional space is needed. Also, bring both the original and a copy of this form to your review for faculty files.
